SEBASTIÁN NICOLÁS LÓPEZ NÚÑEZ

Mechanic and Autotronics Engineer
Student in Analyst Programmer

Presentation

As a student of Programming Analyst, I am actively seeking opportunities for my professional internship, with a specific interest in the backend and fullstack areas. I consider myself a responsible, organized individual with a proactive mindset and a strong willingness to learn and grow both professionally and personally.

My goal is to leverage my experience in mechanical engineering alongside my programming skills to contribute innovative and efficient solutions. I am dedicated to continuous learning and enthusiastic about taking on new challenges that allow me to expand my knowledge and skills.
